Happy Easter Vanners,

Well we finally got the first round of bricks placed at the Museum. A little over 100 went in. The next round will go in later this year, so if you would like to get in on the brick paver program, please check out the web-site for more info.

We also got the two Colorado Vanner memorial trees planted.

The 2nd Tax Relief Van Show was last weekend and was a huge success!! 45 plus Vans attended as we over flowed Sam's parking lot! Thank you to all that attended.

I truly hope all of you realize how important your ongoing support means to the success of the Museum and it's future. So our renewal notices all went out in the last two weeks. If you got one and haven't sent it in yet, please find a way to continue the support you have given in the past. If you have renewed already, Never mind and Thank You very much!!

As always Thank you for your support and Keep on Vannin!!
