## MEMORIAL TO ROMAN (CASANOVA) FEDYZYN

On Sunday, March 2, 1986 we lost a close friend and member of our club, Roman (Casanova) Fedyzyn. He was a long standing member in the club. There was a large turn out for the funeral service. Roman will be remembered and missed greatly by all.

Norton SCVN, March 1986

I still remember the first time I met Casanova, we were at one of the earlier Halloween parties hosted by Sin City Vans.

Out of the blue, Casanova stands up and announces that he is Casanova, of Suds City Vans, and he was there to party. And that was what he did. Everywhere he went, he was a party. The pictures show him in all his glory. I will miss him, he showed us how to have a great time.
