

**ROYCE THOMPSON**  
**“HANDY MAN”**

2003

# Royce Thompson (Handy Man)

He was a former member of Circle City Van Club and a member of the Hoosier Van Congress. He started vanning with the Pink Floyd van shown in the lower right corner of the top picture above. In the summer of 2002, he and his son Rilee completed his new Early Chevy, shown below at the 2002 Nationals.

Royce was a truly dedicated Vanner. Always remembering that the Van is what brought us all together. Vanning won't be the same without his always smiling face and always helpful hand. All of us in Circle City will miss him forever. We lost a real asset to vanning with Royce's passing.

I (Krylon Cowboy) personally think of him almost every day. I feel it was a privilege to have known him for these past several years. We had some real great times together and he has left me with some great moments and great memories to remember him by.

**I LOVE & MISS YA BRO!!!!**
