Good afternoon, Vanners. Hope you are enjoying what is a beautiful Florida weekend.

Not trying to brag but to just let you know what you're being in store for when you come for the 10th annual museum of vanning Christmas party. Our numbers look like they're going to be up this year as the hotel registrations are have already surpassed last year. We don't have any problems with rooms so please to get the great rate call ahead. Make sure you've got a room. You don't have to pay for it just give them your name the days you wanna be there and they will hold a room for you.

Everything is really coming into place including entertainment and food. We have some special games and things we're gonna do on Friday while we're eating pizza and listening some great music. Remember, we have a band Friday night, we have a band playing poolside Saturday afternoon, and we have classic rock 'n' roll Saturday night after dinner. Please remember to bring a dish for dinner as we will be supplying beef, turkey and chicken.

Something this year we're gonna try a little bit different as we tested the waters last year is a giant swap meet. Even if you only wanna come for the swap meet, it would be a reason to come. We have had so much great stuff donated this year and we are going to put out a big tent outback and try to have a lot of it available for you when you come. So, bring an extra suitcase, an extra tote bag or a backpack and come prepared. Oh yeah and a little extra cash as remember this event is not just a great party but a fundraiser for the museum.

Danielle or Mike at the Days Inn can help you with your reservation and as I can't put across enough at least make your reservations now ahead of time. The hotel is done a lot of changes this year. We have a whole new gazebo, all the rooms have new furniture, and they're doing an overall great job of bringing you a really nice facility. Don't forget the tiki bar Saturday afternoon member is all you can drink included in your registration fee. We're gonna have piña coladas and strawberry daiquiris. The swimming pool is nice and warm so don't forget to bring your swimsuit; this is definitely not a formal event.

So, if you ride before Thursday, we also have the pub crawl and we're gonna end at a place called Inn on the gulf, which offers some amazing seafood along with anything else you might want on their menu. Come prepared to have a good time lots of come and see and do the area come early stay late and if you have any questions, just drop me a line I should be able to help you out with just about anything you might need. I'll be staying in touch the next couple of weeks as we have less than A month left to go. If you're driving, please travel safe, if you're flying, Tampa is the airport to come to.

Again, hope you're having a great weekend and keep on Vannin!
